Integrated Construction Ltd

NewDay Integrated Construction Limited

• CORPORATE INFORMATION

NewDay Integrated Construction Limited is a company that was established in Canada before expanding to the United Kingdom and Nigeria in 2017. The mission of the company is to build quality construction projects according to their original specifications. Architectural craftsmanship, engineering, integrity, honesty, and quality workmanship are what we have built our reputation on. We also provide consultancy, training, and Project Mangement Services to the railway industry

• OBJECTIVE

- To carry on the business of general contractors, construction works, supplies of general goods, materials for construction of building roads, bridges, railway tracks, and railway infrastructure dredging and Other Construction Works
- To carry on business of railway haulage and freight forwarding.(Movement of goods by rail and managing of rail logistics as well as movement of goods by road).
- To carry on the business of rail network contractors and managers. And to undertake rail system delivery wherever(whether or not such networks be in respect of surface Rail, Tramways or underground systems).
- To provide specialist training in train operations
- To undertake the planning, design, development, construction, testing, and maintenance of roads, bridges systems, and public utility works of all kinds:
- Provide consultancy services to the railway sector.
- To carry on business as estate managers, property acquisition, and development for sale. Act as a building contractor to engage in control and maintenance of building projects.
- To carry on business of general merchant, distributor and supplier of instruments, electrical and mechanical equipments.
- To carry on business of sale and distribution of petroleum products such as oil, gas, and other products.
- To act as representative of manufacturers of all kinds of goods here in Nigeria. Importer and exporter of all articles, substances, products, commodities, appliances and things used for or in connection with the company's business.
- To do such other things as may be deemed incidental or conducive to the attainment of the above objectives or any of them.
